

## **HB Reavis among Best Employers in Poland**

**International real estate developer HB Reavis, has been recognised as the Best Employer 2016 in Poland. The accolade is the result of the annual employee engagement survey carried out by Aon Hewitt. The Aon Best Employers programme recognises companies providing the most engaging and attractive workplace, rated by employees and is the largest and most comprehensive initiative of its kind in Poland.**

Aon Best Employers is the only HR award, which is based on an impartial employee opinion survey examining engagement, effective leadership, strong performance culture and credible employer branding. Approximately 440,000 employees from over 1,000 Polish businesses have participated to date. Apart from HB Reavis, the only company operating in the real estate sector that has been awarded the title, 15 other companies have also been recognised with the Best Employer title, out of the total number of 129 firms that participated in the survey this year.

HB Reavis has been operating in Poland since 2008. The firm is known for developing office buildings across Warsaw, such as: Konstruktorska Business Center, Gdanski Business Center, Postepu 14 and West Station. In Poland the company currently has 140 employees including: designers, financial, construction and leasing staff, as well as marketing and management executives.

Stanislav Frnka, Country CEO at HB Reavis Poland said: *"We develop modern buildings, but most importantly friendly and comfortable work environments. We are incredibly proud of receiving this recognition and achieving such a high score in the Aon Best Employers survey. The award shows that behind the solutions offered to our clients are people, who are passionate about their work. We are pleased to be recognised as one of the best employees in Poland among both experienced and young professionals."*

Mariola Stawińska, Senior HR Business Partner at HB Reavis Poland added: *"We are very satisfied with the high working atmosphere score. Our employees value our open management style, clearly set goals and responsibilities as well as opportunities to deliver ambitious and prestigious projects. They also like their everyday work environment – the new office in Postepu 14 building we delivered."*

HB Reavis Poland scored an engagement level of 79% in the Aon Hewitt survey, which is 28% higher than the country average result, also exceeding the Best Employer average score in Poland.

## **About HB Reavis**

HB Reavis is an international real estate developer founded in 1993 in Bratislava, Slovakia. It operates in the United Kingdom, Poland, the Czech Republic, Slovakia, Hungary and in Turkey and is currently the third largest office developer in Europe, according to PropertyEU's annual 'Top Developers Survey'. The operations have so far yielded a total of 917,500 sq m of modern offices, shopping and entertainment spaces in addition to logistics facilities. Over 1 million sq m of developments are in the planning, permit or construction stages. HB Reavis relies on a fully integrated business model covering development, construction, property and investment management. The group has total assets of €2.1 billion, with a net asset value of almost €1.2 billion. With more than 500 professionals, HB Reavis is a global market leader in international commercial real estate. HB Reavis' strong market position has been recognised through numerous awards, such as the UK Property Award "Best Office Architecture London 2015" for 33 Central and the CEE Quality Award for "Developer of the Year in CEE, 2015".
